

Names: _____ & _____

ROUND 1

1. Write down one moral issue PARTNER A is interested in:

2. List the keywords you will use to search the database for this topic:

3. PARTNER A search JSTOR, and PARTNER B search Philosopher's Index
4. Briefly scan the results and answer the following questions:

Question	JSTOR	Philosopher's Index
How many results did your search return?		
What are 2 journal titles in this list?		
What is the title of the article you think is most relevant?		
Do any items appear in both databases?		

ROUND 2: Switch!

5. Write down one moral issue PARTNER B is interested in:

6. List the keywords you will use to search the database for this topic:

7. Now PARTNER B search JSTOR, and PARTNER A search Philosopher's Index
8. Briefly scan the results and answer the following questions:

Question	JSTOR	Philosopher's Index
How many results did your search return?		
What are 2 journal titles in this list?		
What is the title of the article you think is most relevant?		
Do any items appear in both databases?
